

AUTOMATIC BANK DRAFT

Never Write Peoples Natural Gas Another Check

Sounds too good to be true? It's not – if you sign up for our free **Automatic Bank Draft (ABD)** program. With ABD, Peoples Natural Gas deducts the amount of your monthly gas bill directly from your checking or savings account. No check writing, buying stamps, mailing or paying in person. And...you can choose the most convenient payment date.

When does Peoples Natural Gas process my payment?

Anywhere from 11 to 21 days after billing. You tell us the number of days after billing you'd like us to process your payment. For example, if you choose 12 days, we will draft your payment on or after the 12th calendar day following each bill date.

After enrolling, how will I know when I can stop writing checks?

We will print a special message on your bill indicating the date we will draft your bank account. Your monthly bank statement will show your account number and the amount and date of the bill payment.

What if I change banks or move?

We need to know in either case. If you change banks, you must notify us and complete a new enrollment form to stay in the ABD program. If you move, we also need to know so you can continue to receive the benefits of the ABD program at your new location.

Can I stop payment or stop participation in the program?

Yes. To stop a payment, notify us before the payment date indicated on your bill. Then simply pay that bill by check. To stop participation in the ABD program for a period of time, simply call us. To restart, you may re-enroll by calling us. Please be sure to contact us – not your bank – if you want to suspend a draft or drop from ABD.

HOW DO I ENROLL?

Just print and return the completed tear-off enrollment form below with your signature authorizing us to deduct monthly payments from your bank account along with a voided check.
