

## PNG GATHERING – PRODUCER SERVICES ANNOUNCEMENTS

Posting Date

Announcement

09/15/2010	Effective immediately, PNG will be enforcing the <i>Producer Identification</i> requirement as stated within the PNG Letter to Producer dated June 16, 2010. All PO meters found without proper Producer identification (Producer name and emergency phone number) will be considered in violation and will be shut-in for a one-week period.	
09/03/2010	Please provide PO meter listing to Jasa Galo by September 10, 2010 for any PO that currently has EGM and will be following the PNG EGM Guidelines effective with the October 2010 production period. Please submit to <a href="mailto:Jasa.Galo@peoples-gas.com">Jasa.Galo@peoples-gas.com</a> .	
09/03/2010	Capacity still remains to move local gas off PNG's system into DTI for the month of September. Interested parties should contact Steven Kolich for details. <a href="mailto:Steven.P.Kolich@peoples-gas.com">Steven.P.Kolich@peoples-gas.com</a> or 412-244-7160.	
07/09/2010	PNG will be installing production check meters throughout the Peoples' system. Notifications will be made to Producers with affected meters.	
04/26/2011	Effective with the April 2011 Production Period, the fees will be changed for the meters within the Amended Production Enhancement Program: <ul style="list-style-type: none"> <li>• \$.32 per MCF for gas entering Peoples' Gathering &amp; Distribution System</li> <li>• \$.17 per MCF for gas entering Peoples' Transmission System</li> </ul>	
09/29/2011	Peoples Natural Gas has posted a "Meter Tap Process" and "Meter Tap Request" form located under the Guidelines and Procedures section of the Gathering Website. Please refer to these documents for any future tap requests.
