FREDDY Facts!

Natural Gas Safety Tips from Freddy the Flame

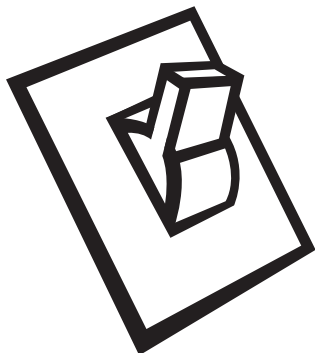

Natural gas smells like
rotten eggs.

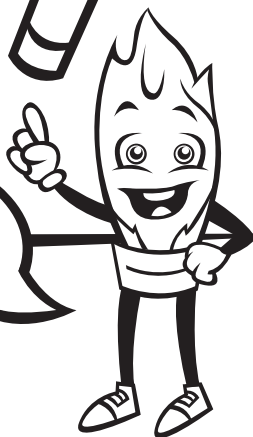

**If you smell gas in your home,
tell an adult
and get everyone out fast.,**

Do not use a light switch,
flashlight, TV, or even a phone.

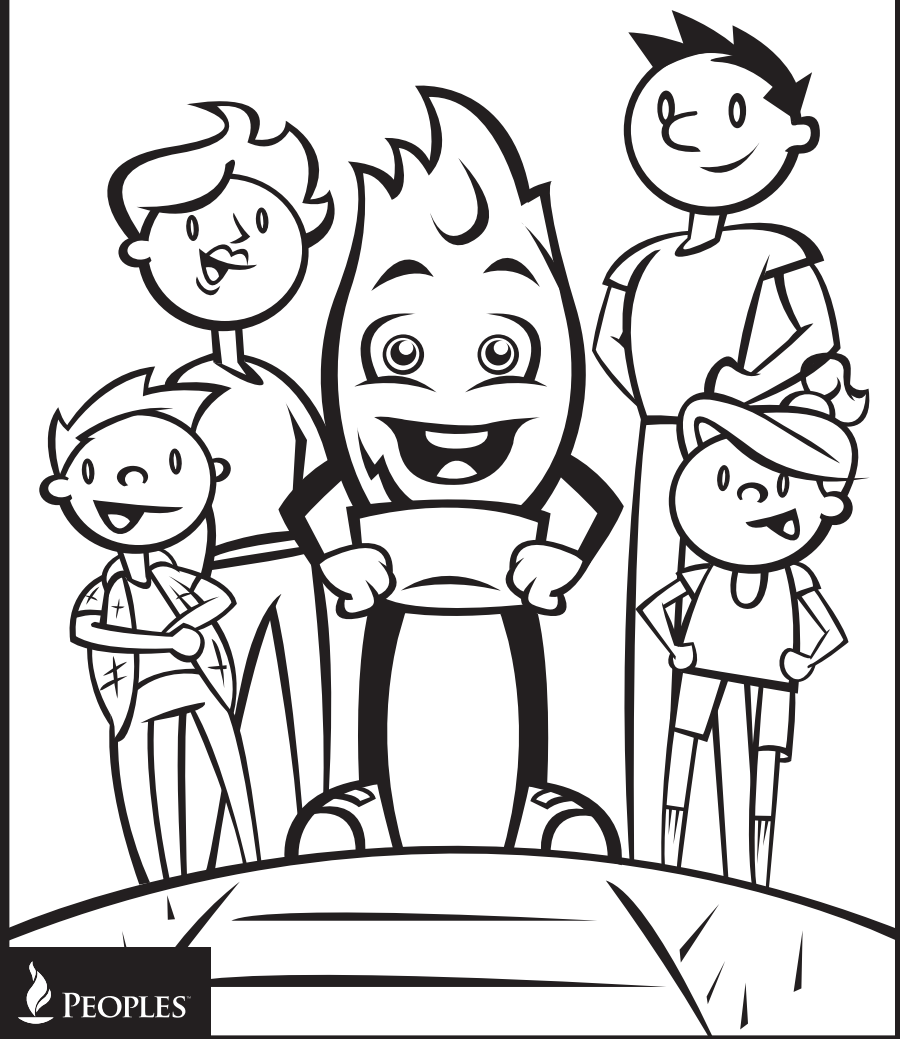

NO!

PEOPLES

Go to a **safe** location and ask an
adult to report the leak to 911 and
the local natural gas utility,

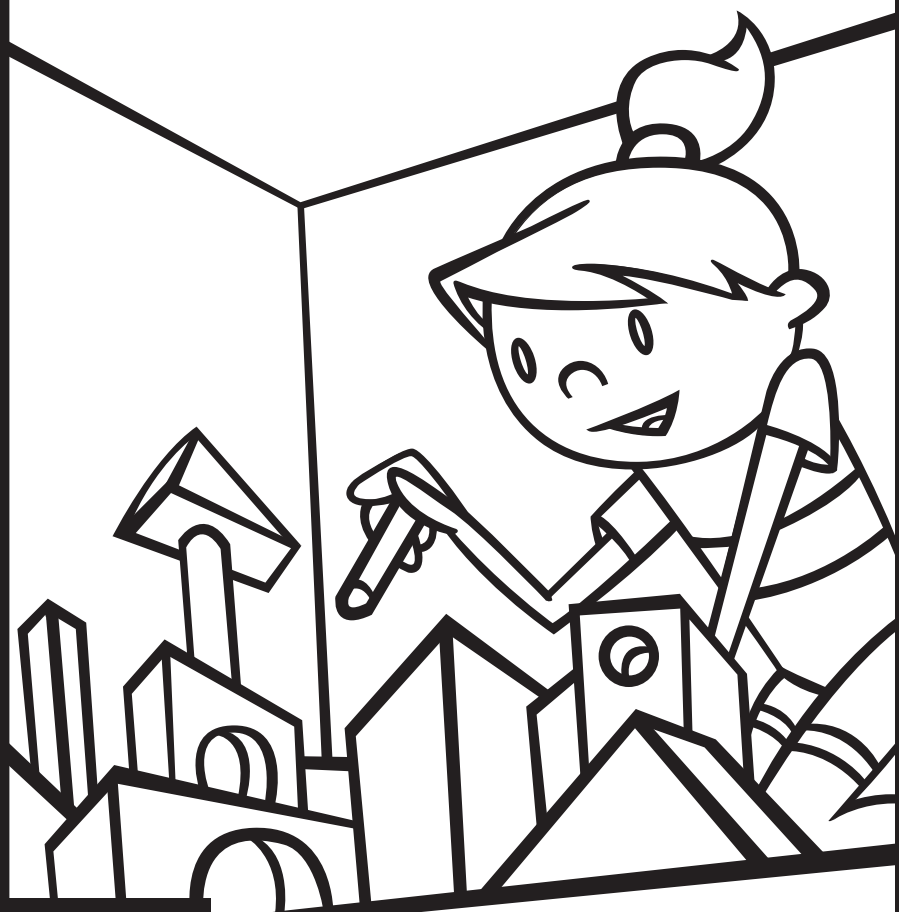

**Keep clutter and flammable
objects *away* from natural gas
water heaters and furnaces.**

Natural gas stove should
only be used for cooking, not to
heat the room or dry clothes.

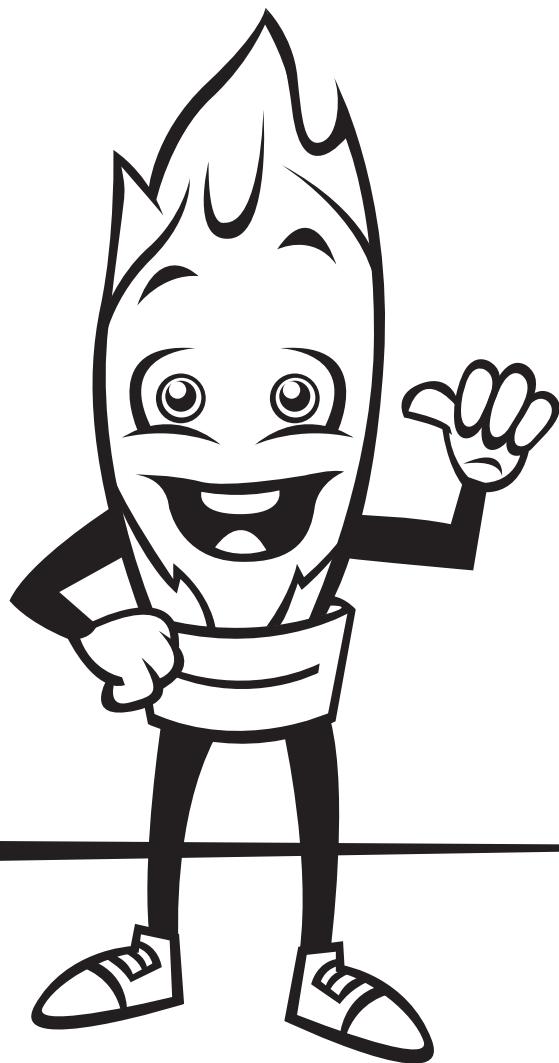

**Small children should play in
areas **away** from all
natural gas appliances,**

**Laundry should be hung on a
clothesline or rack to dry,
not on gas or water pipes,**

Blue is the color
of a healthy flame.

PEOPLES

Call **811** before
you dig.
