

# Gas Service Application (cont'd) - Commercial/Industrial Only

Please complete this page in addition to Page 1 if you're requesting gas service to a **commercial or industrial** property. The following contact information is for *the person responsible for sizing the customer service and house lines*. Attach the project utility site plans, showing existing/proposed service line routing and meter location.

Estimated Construction Start Date

Project Title

Contact Name	Contact Phone #

Email Address

Mailing Address	Unit/Ste/FI #

City	State	Zip

The approval letter will be sent to the approval letter mailing address shown on the preceding page *and*, if different, to the address provided immediately above. **Peoples assumes no responsibility for issues resulting from miscommunication between Applicant's representatives.**

*It is the responsibility of the Applicant to provide accurate information in this Application and to update Peoples of any changes to loads, pressures, appliances and equipment, etc. from what is included in this Application. If any service changes are necessary due to inaccurate or updated information, the Application will be reevaluated. If Peoples is still able to provide gas service, Applicant's contribution in aid of construction may change (if applicable). In addition, Applicant will be responsible for payment to Peoples for any incremental costs incurred by Peoples as a result of the change(s), which may include but not be limited to equipment costs, meter fabrication costs, and engineering costs.*
