

Peoples Energy Choice Program: State-Licensed Suppliers

These state-licensed suppliers have been approved for participation in the Peoples Energy Choice Program. You may contact them for information on their gas supply offerings. Please note that listed suppliers may not currently have an offer available. To see available offers, please refer to the Pennsylvania Gas Switch website (www.pagasswitch.com), hosted by the Pennsylvania Public Utility Commission.

To determine from what operating division of Peoples you are served, please look at the division indicator at the end of the Rate Description on your bill. 

- (P) = Peoples Division - PNG
- (E) = Peoples Equitable Division - PED
- (T) = Peoples Gas ~ formerly Peoples TWP - PTWP

Additionally, Non-Priority one commercial accounts will have a (NP) indicator behind the operating division: Commercial(P) (NP). Priority One (P1) will not have an indicator.
