# PEOPLE HELPING PEOPLE

The **Dollar Energy Fund**, a nonprofit organization, provides help to older adults, the working poor and struggling families in our area. The **Dollar Energy Fund**, supported by utility customers like you and shareholders of utility companies, helps people stay warm during the home heating season.

Founded in 1983 in Western Pennsylvania by a coalition of concerned community and business leaders, **Dollar Energy Fund, Inc.** has grown to become one of the largest fuel funds in the country. For more than 33 years, the Fund has distributed \$142 million in utility assistance grants to more than 514,000 households.

Peoples customers have always been strong supporters of this worthwhile cause. Your 2017 contributions, combined with matching funds from Peoples, made it possible for many of our less fortunate neighbors to receive **Dollar Energy Fund** assistance last year.

*Thank you for your continued support.*

MAKING YOUR LIFE BETTER.
