Third Party Notification Enrollment Form

PEOPLES

When you are ill, disabled or away from your home for long periods of time, you may not be able to pay your bills for the due date. Peoples' Third Party Notification allows you to appoint a third party to be notified if your account becomes past due. This can be a relative, friend, caregiver, or social service agency. If you prefer we will send a copy of notices for past due bills.

Once we inform the third party, he or she can then help to arrange payment to keep your service active. **Notice: The third party will not be legally liable for your bill.**

If you, or someone you care about could benefit from this program, please send this form to us today via:

For retirees on the go, as well as for caregivers, our Third Party Notification can provide an alert in the event that gas service is in danger of being terminated. A friend, relative or other third party can agree to be notified of a possible service termination. The third party receives a copy of the termination notice and can take action to make sure gas service continues. The third party is never obligated to pay the bill.

If you would like to be designated as a third party, or if you would like to designate someone to be a third party, please call customer service at 1-800-764-0111 to request a Third Party Notification enrollment form, or download the form at peoples-gas.com/thirdparty. Budget Now For Winter Bills

Our Budget Billing lets you take control of your expenses and avoid the surprise of seasonally high bills.

The budget plan is your yearly consumption averaged over a twelve month period. This allows you to pay a more consistent amount throughout the year. Peoples calculates your budget by comparing past usage information for your home with projected weather conditions and rates. To prevent any shortages or overages, Peoples will review your gas usage over the past quarter and adjust your budget amount higher or lower.

You can leave Budget Billing at any time; however when you unenroll, your account balance will be due in full.
